GENERAL

Proteus Design Internships

Moster Diversity Leadership Program

There is currently an internship opportunity at Proteus Design (www.proteusdesign.com). They are looking for a summer intern with good design experience. CAD experience is a plus. Proteus is in the North End now, but is moving in a couple weeks to east Cambridge.

Forward your resume and portfolio to Paul Sabin ASAP. Proteus is in the process of interviewing, but an extension may be possible.

Monster Diversity Leadership Program

In July and August, companies including Lockheed Martin, Hewlett Packard, Booz Allen Hamilton, Accenture, Shell, Nortel and a number of other large organizations are looking to connect with engineering students at the 5th annual Monster Diversity Leadership Programs. (DLP). Click [here](#) to learn more about this opportunity. You are eligible for the weekend leadership event and related scholarships if you will be a rising sophomore, junior or senior in the autumn of 2006.
